1. Subject of the agreement

Subject of the agreement is granting the right of use of the label code of the Arte Leon Ltd. / Whiterock Records to the Labelcodeuser

for the release:

2. Rights and Duties

The Labelcodeuser gets the right for using the label code of the Labelcodeowner for ist record releases.

The Labelcodeuser must place the label code „LC 00693“ together with the word mark „Whiterock Records“ and/or the label logo recognizable on the record carrier.

All rights of the product remain on their respective owners and will not get transferred to the Labelcodeowner.

The Labelcodeuser is not eligible for considerations against the Labelcodeowner except the right of using the labelcode and label logo for this release.

The Labelcodeuser will send this agreement together with one item of the release to the Labelcodeowner. The use of the labelcode counts as not permitted if the Labelcodeowner does not receive this agreement.

The use of the labelcode for this release is perpetual.

3. Freeing against third parties

The Labelcodeuser solely is liable for encroachment. Claims of compensation etc. are at the expenses of the Labelcodeuser only.

4. Severability clause

Should any part of this agreement be rendered or declared invalid by a court of competent jurisdiction of Germany, the invalidation of that part of this agreement should not invalidate the remaining parts thereof. They will remain in full force and effect.

It is further agreed that if parts of the agreement are determined invalid, either party may open negotiations solely with respect to substitute the invalid articles, sections, or portions, within two (2) weeks after a ruling has been made.
